A MESSAGE FROM THE PRESIDENT

Dear Members of the Campus Community,

Please take a moment to review this important material about TCNJ’s efforts and experience in the areas of campus security and safety. While we are gratified that our safety record is so good, TCNJ’s goal is not merely to have good statistics to report, but also to create an environment where all community members feel comfortable in reporting concerns and everyone knows that a safe community is the result of broad involvement and the result of the entire campus working together.

TCNJ’s Office of Campus Police Services has been proactive in promoting safety and preventing crime on our campus, establishing a number of outreach programs designed to protect and educate members of the campus community. The Office of Campus Police Services is committed to making continuous improvements in campus security and safety, and recently formed a Public Safety Advisory Council consisting of faculty, staff and students, to aid in that effort. I ask that you, as a member of this campus community, continue to cooperate with our Campus Police and to assist them in preventing and responding to crime on campus.

I encourage you to be an active member of the College community. If you have any questions or would like more information regarding campus safety and security, please contact the Office of Campus Police Services administrative offices at 609.771.2171.

Sincerely,

R. Barbara Gitenstein  
 President  
 The College of New Jersey

Welcome

The College of New Jersey operates its own full service police department, dedicated to serving the College community. The Office of Campus Police Services works to improve the quality of life for those who live, work, study, or visit our campus. I am pleased to have the opportunity to tell you a little about our department and the services we provide. I invite you to explore our Web site, [www.tcnj.edu/~tcnjpd](http://www.tcnj.edu/~tcnjpd), and our mission statement so you can get to know us better.

In recent years, we have expanded our community policing initiatives to improve our services and the quality of our interaction with the public. Some of these changes are increased foot and bicycle patrols, improved officers' training, instituting a code of behavior and instituting a civilian complaint policy, as well as redirecting officers' focus from traffic enforcement to community-oriented policing.

We are working closely with our student, faculty, and staff partners to identify opportunities to ensure the services we provide to the community equal the quality of the education here at TCNJ.

Sincerely,

John M. Collins  
Chief of Police/Director of Campus Security

Office of Campus Police Services located in the Administrative Services Building.

Reporting Crimes and Emergencies

The College of New Jersey's Office of Campus Police Services provides law enforcement and security services 24 hours a day, seven days a week. The community is encouraged to report all crimes whether actual, attempted, or suspected, and all emergency situations to the Office of Campus Police Services by calling 609.771.2345.

It is important to know that a formal police report or investigation is not needed in order for a crime to be included in the crime statistics provided in this report. Campus security authorities are surveyed monthly for their input during the course of the year. Campus security authorities are represented by, but not limited to, the following departments: the Vice President for Administration, the Vice President of Academic Affairs, the Vice President of Human Resources, the Vice President for Student Affairs,

Residential Education and Housing, Differing Abilities Services, Student Health Services, Athletics, Alcohol and Drug Education Program (ADEP), and Office of Anti-Violence Initiatives (OAVI). The data collected by these offices is anonymous and the Office of Campus Police Services does not collect victim information unless specifically authorized by the reporting person.

Outdoor emergency telephones are installed on campus. These telephones are clearly marked with blue lights and provide direct contact with the Office of Campus Police Services. In the event of a fire, police, or medical emergency, dial 911 from any campus telephone. Students are encouraged to program 609.771.2345 into the phone book in their cell phone so that they can easily contact the Office of Campus Police Services.

Walking escorts are provided by security and police officers throughout the evening and early morning hours.

To request an escort, call extension 2345 from any campus telephone or 609.771.2345 from your cell phone.

### Authority of the Office of Campus Police Services and Relationship with Other Law Enforcement Agencies

Campus Police Services is located within the College’s Administration Division and reports to the Vice President for Administration. TCNJ’s Office of Campus Police Services consists of a chief, captain, lieutenant, sergeants, detective, patrol officers, dispatchers, and security officers.

All police officers are fully trained, commissioned, and armed in accordance with the state laws under which they are appointed. They have all powers of police and constables in criminal cases and offenses against the law throughout the state of New Jersey.

Office of Campus Police Services maintains a close relationship and consults with the Ewing Township Police Department on matters of mutual concern. The Ewing Township Police Department and its officers also have full police authority on the campus.

(Source: NJSA 18A:6-4.2 et seq.)

Incidents occurring on campus are handled fully by the Office of Campus Police Services. This includes the duties of response, investigation, and subsequent prosecution of any criminal activities.

The Mercer County Prosecutor’s Office, Sheriff’s Department, and New Jersey State Police also serve

as valuable resources to the Office of Campus Police Services when needed.

The College also occupies several off-campus properties in Ewing Township. The Ewing Township Police Department monitors and responds to emergencies and criminal activity at these locations and shares pertinent information with the Office of Campus Police Services whenever appropriate. Copies of the College’s Uniform Crime Reports are provided monthly to the Ewing Township Police Department at 609.882.1313.

### Safety and Security in Campus Facilities

Security and safety issues are given high priority in the design of new facilities. The Office of Campus Police Services, in an ongoing program, conducts security surveys of existing facilities, with findings and recommendations forwarded to the appropriate administrative areas for remedial action when necessary. Periodic assessments of campus lighting and emergency telephones are conducted and deficiencies promptly addressed by the appropriate administrative area.

### Crime Prevention

General information and crime prevention materials are distributed to incoming students and their families during orientation. As part of our TCNJ community policing philosophy our officers partner with the Department of Residential Education

and Housing to develop and implement community outreach presentations relating to crime awareness and services.

The Crime Awareness Program (CAP) is an effort in which students, faculty, and staff team together with campus police to help prevent crime and educate the campus community through educational programs and interactive events. Please call 609.771.2345 for further information.

Crime prevention materials and reporting procedures are included in the faculty handbook and the student handbook. Human Resources provides

**Timely Warning, Emergency Notification, and Evacuation**

The College of New Jersey is required to notify the campus community of certain emergency situations and specific crimes that are covered by the Clery Act. The enumerated Clery Act crimes are: criminal homicide, murder, negligent manslaughter, sexual assault, robbery, aggravated assault, burglary, arson, motor vehicle theft, and hate crimes. In order to effectively distribute safety information, TCNJ disseminates Timely Warnings and Emergency Notifications through e-mails, text messages, the College's Web site, and other methods. The alerts are disseminated as soon as pertinent information is available.

Timely Warnings provide the time, location, and type of crime committed on campus. The information provided by Timely Warnings is designed to promote safety and allow for individuals to take precautionary measures. Emergency Notifications are issued without delay upon confirmation that there has been a significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of students or employees. These threats consist of

a range of hazards, including but not limited to: natural disaster, violent crime, or environmental danger. The incident will conclude with an overview of the crisis resolution. Additional useful information relating to the incident may be subsequently transmitted.

**Missing Student Statement**

The College will request that students provide a primary emergency contact. That person shall be the first contact person in the event that the student would be reported officially missing during his or her tenure at the College.

If a student is suspected to be missing from the campus, the Office of Campus Police Services should be notified immediately. When residential or professional staff is informed of a missing student, he or she will notify the Office of Campus Police Services.

Upon receipt of a report involving a missing student, the Office of Campus Police Services will initiate an investigation to locate that person.

Reports of missing students will be expeditiously investigated. When possible, a liaison will be established to support the missing student's family and to assist in the investigation. The emergency contact will be notified if the student is missing more than 24 hours.

**Relationship with Campus Conduct Systems**

The Office of Campus Police Services maintains close working relationships

with the Division of Student Affairs, and the Department of Residential Education and Housing. Police officers may refer cases to the campus conduct system in addition to the formal criminal justice system. It is standard practice of the Office of Campus Police Services to fully inform victims of additional options through college and non-college entities.

College student conduct proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and College policy without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under these procedural standards may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Director of Student Conduct. Prior determinations made or sanctions imposed under these procedural standards will not be subject to change because criminal charges arising out of the same facts giving rise to violation of College rules are later dismissed, reduced, or resolved in favor of or against the criminal law defendant.

### Access to Campus Facilities

The Office of Campus Police Services works closely with college departments to ensure a safe environment exists for students. Residential students may notice police officers working alongside Residence Education staff members on their rounds to enhance the quality of life in residence facilities.

Residence halls are open only to campus residents and their invited guests and are so posted, consistent with New Jersey trespass statutes. Entrances to campus residence halls are equipped with card reader identification systems, which provide 24-hour access to campus residents. During evening and early morning hours, those seeking admittance to some facilities are additionally required to present proof of residency or, if they are guests, to present identification and be signed in by a resident.

Academic, administrative, student services, and recreational facilities are open to members of the general public during regular business hours. Individual academic departments establish access policies in academic buildings during hours when classes are not in session.

### Alcohol and Drug Education Program

The College of New Jersey is an educational institution committed to maintaining an environment that enables community members to enjoy the benefits of an optimal

learning experience.

To this end, the Alcohol and Drug Education Program (ADEP), [adep.pages.tcnj.edu](http://adep.pages.tcnj.edu), was fully implemented at the College in September of 1990. The ADEP office is located in Holman Hall Room 307. ADEP is a member of the New Jersey Higher Education Consortium

on Alcohol and Other Drug Prevention and Education: [njhec.wpunj.edu](http://njhec.wpunj.edu)

ADEP goals are guided by the overall mission of the College and Division of Student Affairs:

- The promotion of a healthy, safe, and learning conducive environment.
- The implementation of practices for prevention, education, training, and preliminary screening and referral services.
- Instilling in students an awareness of choice, personal responsibility and understanding of the social and academic consequences associated with the decision to use alcohol and/or other drugs.

In fulfillment of its mission, TCNJ is committed to providing a campus environment that promotes the safety and well being of its students, faculty, and staff. While recognizing that the responsible and lawful use of alcohol and other drugs is socially acceptable in our society, the College regards the abuse of these substances and the use of illicit drugs as antithetical to its mission. Therefore, TCNJ permits the use of alcohol and other drugs only in a manner that is responsible and

adheres to restrictions imposed by law and the College's standards of conduct. TCNJ prohibits the possession, use, and/or distribution of illegal drugs on the College's property or as part of any of its activities. For a detailed summary of laws and college regulations, please visit [www.tcnj.edu/~sa/handbook/policies/alcohol.html](http://www.tcnj.edu/~sa/handbook/policies/alcohol.html).

### Responding to Sexual Assault at The College of New Jersey

In New Jersey, sexual assault includes any form of unwanted or involuntary touching or penetration of intimate body parts by a person of the same or opposite sex. This can include being forced to touch someone else. "Unwanted or involuntary" means sexual contact without the consent of the victim, including the use of threats, intimidation, coercion, or physical force. It also includes victims who are unable to give consent because of their age or because they are physically helpless, mentally incapacitated or intoxicated.

A sexual offender is often someone known to the victim such as a friend, acquaintance, date, spouse, or family

member. The terms “date rape” or “acquaintance rape” are often used to describe this association, but this does not imply a less serious form of sexual assault.

The state of New Jersey recognizes that the impact of sexual violence on its victims and the surrounding community can be severe and long lasting. To address this issue, the Campus Sexual Assault Victim’s Bill of Rights was established. This Bill of Rights mandates that policies, procedures, and services are designed to ensure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity. Campus Sexual Assault Victim’s Bill of Rights (pursuant to NJSA 18A, Chapter 61E) can be found online at the Web site for the Office of Campus Police Services [www.tcnj.edu/~tcnjpd/stats.html](http://www.tcnj.edu/~tcnjpd/stats.html).

TCNJ prides itself on its efforts to prevent sexual assault and be responsive to the needs of victims and survivors in accordance with the language and intent of the state’s Campus Sexual Assault Victim’s Bill of Rights. Sexual assault is against state and federal

Self-defense instruction.

law and is in violation of the student conduct code. Behavior of this kind will not be tolerated and could ultimately result in expulsion from this institution.

When a sexual assault occurs, safety and medical attention are the most pressing issues. Victims are strongly encouraged to obtain prompt medical examinations and treatment for possible injuries, sexually transmitted diseases, and pregnancy.

If it is within five (5) days of the assault, evidence can be collected and preserved by activating the county-based Sexual Assault Response Team regardless of the victim’s decision to involve law enforcement. In order to preserve evidence, victims should not shower, wash clothing, or disturb items at the scene of the crime. Once evidence is collected it can be held for up to 90 days while victims consider whether or not to press charges. Successful prosecution, in court or through the campus conduct structure, may be difficult without this evidence.

### Reporting Sexual Assault

Two-thirds of perpetrators are serial perpetrators, meaning that they will typically assault several victims before being caught. With this in mind the College recognizes that the very act of reporting a sexual assault has the potential to prevent future assaults. Reporting the crime can also help

victims regain a sense of personal power and control. Victims can report acts of sexual violence to the Office of Campus Police Services, Office of the Dean of Students, Equal Employment Opportunity Officer, Office of Anti-Violence Initiatives (OAVI), Campus Security Authorities, or representatives of the Initial Contact Advocacy Network (ICAN) ([oavi.pages.tcnj.edu/tools-for-everyone/ican](http://oavi.pages.tcnj.edu/tools-for-everyone/ican)) who are trained to be empathetic listeners and facilitate access to resources.

Victims have the right to choose whether or not they pursue police involvement or campus disciplinary proceedings. Victims who choose to participate in legal action for offenses that occur on campus can contact the Office of Campus Police Services at 609.771.2345. If the crime occurred off campus, victims should contact the local police or the Office of Campus Police Services for assistance in reporting the crime to the appropriate police department. Subsequently, the Office of Campus Police Services will work

Ewing Police Officer James Calnon (l) and TCNJ Sgt. Marcie Montalvo (r) show the township’s DARE Jeep.

in partnership with the Mercer County Prosecutor’s Office for investigations and legal proceedings. Victims interested in pursuing campus disciplinary action should contact the Office of the Dean of Students. Detailed information on sexual misconduct violations, grievance procedures, and procedural standards can be found at [www.tcnj.edu/conduct](http://www.tcnj.edu/conduct). Consistent with the state’s Campus Sexual Assault Victim’s Bill of Rights, the campus conduct system permits the victim and alleged violator the right to legal assistance, to have an advisor present, to be afforded accommodations to ensure safety during the hearing, to be informed of the outcome of any violence-related disciplinary proceeding, and to have the opportunity to file a timely appeal of any disciplinary proceeding involving charges of “Personal Abuse” under the Student Conduct Code.

### Resources for Victims

Victims of sexual offenses should contact the Office of Campus Police Services, the Office of the Vice President for Student Affairs, and/or the OAVI [oavi.pages.tcnj.edu](http://oavi.pages.tcnj.edu) for information and to facilitate access to desired campus and community resources for emotional, medical, or legal needs.

OAVI addresses power-based personal violence including: sexual assault, domestic/dating violence, and stalking. By raising awareness through prevention and education efforts including the Green Dot initiative, OAVI aims to create a campus environment that is intolerant of abuse and responsive to the needs of victims and survivors. Persons impacted by violence, directly or indirectly, can meet with OAVI staff to obtain confidential counseling, advocacy services, and to review available resources on and off campus.

Every effort will be made to honor reasonable requests from victims

of sexual offenses for changes or accommodations in academic and residence matters (schedule or room changes, etc.). The Office of the Vice President for Student Affairs and appropriate departments will work collaboratively to implement these accommodations toward the re-establishment of a safe living and learning environment for all parties.

Additional public information regarding sex offenders can be found on the New Jersey State Police Web site at [www.njsp.org](http://www.njsp.org) within the link for NJ Sex Offender Registry.

The 2008 and 2009 statistics have been updated from previous publications of the Annual Security Report, in adherence to the Clery Act Compliance Requirements.

**The College of New Jersey discloses Hate Crime Statistics based on the following Clery Act requirements.**

**Fire Safety Education and Awareness**

The Office of Occupational Safety and Environmental Services works closely with the New Jersey Department of Community Affairs' Division of Fire Safety to ensure that all campus facilities are in compliance with the International Fire Code New Jersey edition.

Fire alarm systems and sprinklers protect all residence halls. Each fire alarm system consists of fire and/or smoke detectors in each dorm room and common areas. The Office of Campus Police Services centrally monitors the fire alarm systems 24 hours a day, seven days a week. Fire Safety Education is provided through the Office of Occupational Safety and Environmental Services to TCNJ's Department of Residential Education and Housing.

A Fire Safety Awareness briefing is then given through the Department of Residential Education and Housing to all occupants of residence halls, shortly after they move in. Fire Safety Education includes fire prevention, safe evacuation techniques, and fire extinguishers. Fire Safety Awareness provides information that they would need in the event of a fire.

At the direction of the Office of Occupational Safety and Environmental Services, the Office of Campus Police Services and the Department of Residential Education and Housing perform four fire drills for each residence hall during the academic

year. Two of the drills are performed during the fall semester and two are performed during the spring semester. At least one drill will be held between sunset and sunrise. This drill schedule is in compliance with the Uniform Fire Code New Jersey edition. During a fire drill each residence hall room is inspected to confirm complete fire safety compliance. Residents found in violation of college policy are subject to disciplinary action through the student conduct process.

The College of New Jersey maintains a mandatory evacuation policy. In accordance with this policy, upon activation of any fire alarm, all building occupants are required to be evacuated. Building occupants are required to exit the building via the nearest exit doors and are required to move at least 50 feet from the building. Any person who fails to evacuate during fire alarm activation is subject to criminal complaints by the Office of Campus Police Services and/or disciplinary action through the College Judicial System.

The College of New Jersey and the state of New Jersey treat false fire alarms very seriously. Individuals who initiate false alarms are subject to local, state, or federal legal processes and/or disciplinary action through the student conduct process.

A fire log is maintained at the Office of Campus Police Services. To review this log, please visit the dispatch window located in the Administrative Services Building.
